THURSDAY EVENING, JUNE 11, 1908.

## Local Matters.

## Sun and Tide Table.

Sun rises tomorrow at 4:34 and sets at 7:25. High water at 5:41 a. m. and 6:15 p. m.

## Weather Probabilities.

For this section partly cloudy tonight and Friday, light northerly winds.

## COMPARATIVELY SMALL VOTE.

When it is taken into consideration that there is a qualified voting population of 2,004 in this city it is to be wondered at that only a fraction over 1,000 votes were polled, especially on Tuesday as this was a general election when members of both parties could take part. It will be remembered that in the last congressional primary when Messrs. Carlin, Nicol and Gordon were candidates nearly every republican in this city voted, evincing great interest in the Alexandria candidate. In Tuesday's election very few, if any, voted, as word had been passed down the line requesting them to refrain from taking part. The reason seems to be that the republican party will have a candidate in the field against the democratic nominees and they will be compelled to put up a good fight in order to entitle them to the votes and fishes in the event of the success of the republican party in the presidential campaign. There are a number of candidates for postmaster and other plums in this city who are anxious to get out a good vote in November. As every section of the district has furnished a candidate for Congress, on the republican ticket, it is more than likely that the empty honor will fall to an Alexandrian this time, as a name prominent in republican politics in this city is mentioned quite freely in connection with the nomination, on which of itself has had the effect of keeping republicans away from the polls.

## SUNDAY SCHOOL CONVENTION.

The attendance at the Sunday School Convention of the Baltimore Conference of the M. E. Church South in the Young People's Building continues large, and the proceedings are interesting to all. The session last night was particularly entertaining. The meeting began at 8 o'clock, and after devotional exercises Dr. Hamill delivered a lecture entitled "The Scriptural Kingdom." The lecture was accompanied by illustrations, which were greatly enjoyed.

The convention reassembled at 9 o'clock this morning. The following was the programme:

Devotional exercises, Rev. W. E. Henry; address, Rev. J. Howard Wells; address, Mrs. Hamill; address, E. E. French; reports from schools; discussion; address, Dr. Hamill.

The morning session closed about noon. The following were the features of the afternoon session: Devotional exercises, Rev. J. L. Kibler; address, Rev. W. O. Talbert; address, Rev. H. W. Burras; address, Rev. H. L. Hout; reports from Sunday schools.

## LEAVE FOR ROANOKE.

Messrs. J. M. Hill and Thos. Murphy of the First ward; C. O. Carlin and T. A. Fisher of the Second; S. G. Brent, J. R. Caton and P. P. Russell, of the Third, and Frank C. Spinks and Gardner L. Boothe, of the Fourth (delegates to the State convention), accompanied by the delegation from several nearby counties, including Alexandria county, left at 11 o'clock last night for Roanoke. The committee on credentials will have to decide a contest in connection with Alexandria county. Walter U. Varney, R. C. L. Moncre, Robert F. Crowley, as alternates for W. H. Palmer, and Curtis B. Graham will claim to be the regularly constituted delegates, and the contest will be Crandall Mackey, Andrew A. Lipscomb and George H. Rucker. A number of other Alexandrians accompanied the delegates.

## CHARTERS.

A charter was issued yesterday to the Capital Taxicab Company, of Alexandria, Va., with G. A. Porter, of Washington, president, which will do a business of transporting and transferring passengers and baggage. The company is capitalized at \$300,000. Although the taxicab company obtained its charter from Alexandria, it will do all its business in Washington.

A charter was also issued yesterday to the Auditorium Amusement Company, of Alexandria, for the presentation of operas and theatrical amusements. Although the main office is said to be in Alexandria, the theatre will be in Washington and all its business will be done there.

## OBJECT LESSONS.

Two young white men are now in the city jail, having been committed for an examination into their sanity. One of the victims was delirious last night, and it was necessary to send for a physician. The other appeared to be sane yesterday morning. Before he jumped overboard he entered a blacksmith shop and begged a young man to use a sledgehammer on his head, as he wanted to die. He was driven out of the shop. The run-crazed young man then went to a saloon and endeavored to purchase liquor. He was told by the proprietor that under the present regime he could get no liquor there. His leap overboard followed.

## ST. MARY'S ACADEMY.

As announced in Saturday's issue the commencement exercises of St. Mary's Academy will take place tomorrow at 3:30 o'clock. Invitations have been issued only to relatives of the graduates and enrolled members of St. Mary's Alumnae for both whom seats will be reserved; admission for all others will be by ticket. A splendid programme has been prepared for the occasion in which all the pupils of the school will take part. This morning certificates of promotion were awarded in the Academy Hall and the drawing of prizes took place under the presidency of Reverend Father Kelly.

## TO REGULATE FISHING.

Congress did not relinquish any of the federal rights in and to the waters of the Potomac river, when a part of the District of Columbia was re-annexed to Virginia, according to a decision handed down Tuesday by Justice Joseph A. Van Orsdel, of the Court of Appeals of the District of Columbia. Joseph Evans, of Alexandria county, was convicted some time ago, in the Washington Police Court, on the charge of unlawfully fishing with a dip net in the Potomac river, on the Virginia side, but he appealed. The rights of Maryland and Virginia, and the boundary dispute, resulting in the compact of 1785, were briefly reviewed by the court. This compact, it is held, was never in force in the District, and it was not essential that it should be, as both banks of the river were within the District at the time of the establishment of the seat of the government, when the District included Alexandria county.

## NEW MILITARY COMPANY.

Tonight and Saturday night at 7 o'clock, those who are to be members of the new Alexandria Light Infantry will meet at the office of Dr. Wm. M. Smith, 207 south Washington street, for physical examination and enlistment, and drills will be started next week. A fine representative body of the young men of Alexandria are uniting in the formation of this new company, and there is every reason to believe that in a few months the new Alexandria Light Infantry will reach as high a standard as that organization ever attained in its palmy days. There will be room for about 15 more names before the list reaches the maximum of 75 men, and any others wishing to join will be welcomed to meet with those who have already signed at the above mentioned time and place.

## POLICE COURT.

[Justice L. H. Thompson presiding.] The following cases were disposed of this morning:

Eugene Jenkins and Hoffman Brown, both colored, charged with trespassing upon a Southern Railway train, were fined \$5 each.

Lottie Stewart, colored, charged with disorderly conduct, forfeited \$5 collateral by failing to appear.

Charles Lloyd, suspected of lunacy, was committed for further examination.

## BUILDING TO BE REMOVED.

President Roosevelt has directed the removal of the abandoned Pennsylvania Railroad passenger station building, at the corner of Six and B streets northwest Washington, from the government grounds which comprise what is known as the Mall, the object being to improve that section of the city. The buildings and appurtenances were transferred to the United States on March 4, in accordance with congressional legislation providing for a Union Station.

## MOVING PICTURES.

The Alexandria Amusement Company at the building on King street, near Pitt, will tonight present in moving pictures Shakespeare's tragedy of Macbeth. Other reels will also be exhibited. The Elite Moving Picture Company, now exhibiting in Schuler's Hall, on King street, near Patrick, have fine pictures which are highly pleasing to their patrons.

## MR. CARLIN'S VOTE.

Later returns from the primary make but slight changes in the vote cast on Tuesday as reported yesterday. King George county gave Mr. Carlin 82 majority instead of 50, and Stafford gave him 51 instead of 54. This gives Mr. Carlin, so far as reported, 2,708 majority over Mr. Gordon.

## CARGO OF PLASTER.

The schooner Childe Harold, from Nova Scotia with lump plaster to the Alexandria Fertilizer and Chemical Company, arrived this morning. The schooner, after having been inspected by Dr. Arthur Snowden, marine hospital surgeon, who gave a clean bill of health, was brought into the dock.

## AN OLD OFFENDER.

Daniel Craig, colored, with a police record, who has just returned from Pittsburg, was arrested today in the Fairfax Apartments, where he was caught in the act of stealing bed clothing. He was taken to the station house and locked up for trial tomorrow.

## PETE DAILEY AGAIN.

On yesterday, at Gravesend, Pete Dailey, under a fine ride by Mr. Courtland H. Smith, won the "Hunters' Steeplechase" at about two and a half miles in a romp.

## BONDS.

One of the banking houses today handed to the city auditor notices of the acceptance of \$21,500 of the new city bonds for old ones. The refunding is going on rapidly.

## HIT BY CRUISER.

The naval tug Triton, which is used as a supply boat between the Washington navy yard and the government reservations on the Potomac, while lying at the wharf in Washington Tuesday was struck below the water line by the screw of the cruiser Montgomery as she was leaving the yard and had a big gash cut in her steel hull. The opening was so large that the powerful pumps of the tug could not keep her free of water. One of the crew went down in the hull and stopped the opening and the tug was hauled up for repairs.

No Need of Suffering from Rheumatism. It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by W. F. Creighton and Co. and Richard Gibson.
